To whom it may concern,

I am delighted to compose this letter of recommendation for Yuri Oliveira. Having had the pleasure of being his supervisor during her internship at PPMalta Group, I can confidently attest to his exceptional qualities and capabilities.

Yuri worked for 3 months at PPMalta Group every Monday to Friday from 8am to 4pm, 420 hours in total. This means that he did an internship for 8 hours every day. From the outset, I was impressed by his innate curiosity, proactive attitude, and unwavering dedication to his responsibilities. He consistently exceeded expectations, demonstrating a remarkable aptitude for learning from and adapting to new challenges, regardless of their complexity.

Yuri possesses a unique blend of qualities that set he apart from his peers. His outstanding communication skills fostered seamless collaboration within our team, and his analytical prowess provided valuable assistance to his colleagues.

Yuri approach to every project was marked by enthusiasm, consistently achieving outcomes that exceeded expectations. Even after the conclusion of his internship, Yuri has maintained his engagement, proactively extending offers of assistance and support whenever required.

In summary, he is a highly motivated, creative, and resourceful individual, and his dedication, coupled with outstanding skills and qualities, makes he an invaluable asset.

I wholeheartedly recommend Yuri for any endeavour he chooses to pursue, and I am confident that he will continue to achieve great success in his future undertakings.
